

Hello Aquatic Community,

Tonight is a heavy night as the fires rip through our community. Our hearts are with all the displaced families and people who live in the mountains. Some of these folk's swim at our facilities and participate in our teams. We pray everyone is safe most of all!

We will look and see how we can support them in the days and weeks to come. Please be on the lookout for that information.

Tomorrow (Friday, August 21st) we will be open as of now. Wind is supposed to change at some point tonight, but we are hoping for the best! Just like today!

Looking forward to seeing everyone tomorrow!

Blessings to all,

- Steve
