

Rinconada Pool Reopening Details

I am excited to announce that we are ready to open tomorrow, **Saturday, June 6**, for lap swimming at Rinconada Pool.

I am proud of our staff members who have developed and implemented all new methods of servicing our community.

We have worked long and hard to still be here and achieve this point of reopening, and only wish the best for you and your family as you re-enter the aquatic world.

Fees:

Yes, our fees for all our programs are higher. This is an absolute necessity for our company to stay alive and be available to serve the community.

As conditions change, fees may change as well. Our entire staff is taking pay cuts (not minimum wagers) to enable viability. We are all affected, but remain optimistic for improvements.

Schedule:

Changing. Our schedule will be changing and adapting to the community needs. Please expect time alterations as we gain more data points on how the pool is being used and as we follow the evolution of the County guidelines. We will communicate as early and often as possible.

My Request:

I request that if there is any discontent about any aspect of our operation, that you please direct comments and questions to ME directly. I will respond. Please only show kindness and gratitude to our staff who are doing their very best to ensure a good experience at the community pool.

Service:

100% of Saturdays lap swim revenue will be donated to The George Floyd Family Fund, BLM and the ACLU.

With Hope,
Tim Sheeper
CEO Palo Alto Swim and Sport
