Check-in/Check-Out:

KidCheck is a secure electronic check in/out system that will add a level of convenience and safety to the process.

You will not be able to check in/out without a KidCheck profile.

If someone else is picking up your child from camp, you MUST add them as an authorized guardian on KidCheck in order for the counselors to release them.

Prior to your first day at camp please download the KidCheck App or visit the KidCheck website and create a profile. When asked for an organization, select Team Sheeper (Palo Alto).

Daily Check In:

Day 1 check in may take longer than expected. Please plan accordingly.

Check-In/Out is located at the pool gate next to the tennis courts. Whether you park in the lot next to the police station or the tennis courts follow the concrete pathway along the fields. There will be a large pop-up tent with our Camp team ready to assist you.
