Hello Campers and Families!

I am thrilled to be working with everyone and look forward to an unforgettable summer with you! Whether you're a returning camper or joining us for the first time, I can't wait to make new memories together, explore new swimming skills, and take part in all the incredible activities we've planned.

Whether you're a seasoned swimmer or just beginning your aquatic journey, we're here to make sure you have a fantastic time while improving your skills. We believe that swimming is more than just a sport – it's a chance to build confidence, teamwork, and lifelong skills in a positive, supportive environment. Over the course of the camp, you'll get to work on technique, endurance, and speed, all while enjoying games, challenges, and plenty of time in the water!

I am excited that I've joined the team and can't wait to see your smiling faces!

See you soon!

Dear Families and Future Campers,

As the days grow warmer and the anticipation of Summer fills the air, I'm thrilled to reach out to you with excitement for the upcoming Swim Camps! Our team has been working hard to prepare an unforgettable experience for all our campers, filled with swimming, fun, and friendships for all our campers.

Our goal is to create a safe and nurturing environment where campers can improve their swimming skills and develop a love for the water while forming new friendships through arts and crafts and field games. I'm dedicated to ensuring that each camper has a rewarding and enjoyable experience so that they come back each year and possibly become camp counselors themselves!

We can't wait to welcome both returning families and new faces to our camp community. Your support and trust mean the world to us, and we are honored to be a part of your child's Summer and swim journey. I look forward to seeing you soon!

Our Summer Camp Goal

Our goal is to provide enriching experiences for our campers to develop friendships, self-confidence, and water safety! On land, campers will gain social skills through fun group activities and our camp swim lessons will encourage water confidence and enhance swimming skills quickly through the camp's daily swim schedule.
